Charles C. Mann's 1493: Uncovering the New World Columbus Created 3 One of the ironies of this is that, you know, I think we learn in school that Europeans came over to the Americas and sort of wrecked the wilderness. And what they in fact did was, in the most awful way possible, they created it. And this is part of the ecological convulsion of the Columbian exchange.

Over 200 million years ago, geological forces split apart the continents. They developed different suites of flora & fauna. When Columbus came to the Americas, he ended that separation. Driven by the goal of establishing trade with China, he accidentally set off an ecological convulsion as European vessels carried thousands of species to new environs.
