Functional theories of grammar are those approaches to the study of language that see functionality of language and its elements to be the key to understanding linguistic processes and structures. Functional theories of language propose that since language is fundamentally a tool, it is reasonable to assume that its structures are best analyzed and understood with reference to the functions ...

Welcome! This site contains grammar and usage worksheets that I created to use in my own college classes. I teach English composition, and although my courses presuppose fluency in English and a command of standard American grammar, syntax, and punctuation, I find that students benefit from a review, or in some cases, an introduction, to these concepts.

Singular they is the use in English of the pronoun they or its inflected or derivative forms, them, their, theirs, and themselves (or themselves), as an epicene (gender-neutral) singular pronoun. It typically occurs with an unspecified antecedent, as in sentences such as: "Somebody left their umbrella in the office. Would they please collect it?" "The patient should be told at the outset how ...

Morris Fuller Benton designed Century Schoolbook in 1923 for elementary-school textbooks, so it's a highly readable font. It's one of the best fonts available with Microsoft Word. Because it's so legible, U. S. Supreme Court Rule 33.1.b mandates that all legal documents submitted to the Court be set in Century Schoolbook or a similar Century-style font.
