### **Modern Blackness: Nationalism, Globalization, and the**

Modern Blackness is a rich ethnographic exploration of Jamaican identity in the late twentieth century and early twenty-first. Analyzing nationalism, popular culture, and political economy in relation to one another, Deborah A. Thomas illuminates an ongoing struggle in Jamaica between the values associated with the postcolonial state and those generated in and through popular culture.

### **Modern Blackness: Nationalism, Globalization, and the**

Nationalism and globalization are two major contradicting forces in the world today. The roles that these two

forces play and the impact of globalization on countries differ. Both Western and Asian "nation-states" have faced the challenge of globalization in recent decades, and the challenge has become more intense since the 1990s.
