Medical availability and clinical practice varies across the world due to regional differences in culture and technology. Modern scientific medicine is highly developed in the Western world, while in developing countries such as parts of Africa or Asia, the population may rely more heavily on traditional medicine with limited evidence and efficacy and no required formal training for practitioners.

I'm humbled Robert, you are most welcome sir. I would like to thank you for your tireless service as well! I've found a treasure trove of information on your site, and I credit you for bringing Franz Bardon into my life.. When I began reading his material, I found a world that had been coming to me spontaneously in fits & starts since childhood neatly outlined and clearly elaborated.
