Etymology. The origin of the word "travel" is most likely lost to history. The term "travel" may originate from the Old French word travail, which means 'work'. According to the Merriam Webster dictionary, the first known use of the word travel was in the 14th century. It also states that the word comes from Middle English travailen, travelen (which means to torment, labor, strive, journey ...

The following is a guest post by Sergio Maldonado, the founder and CEO of SweetSpot Intelligence. The above cartoon by Tom Fishburne was not part of the original article.. I have seen the Emperor walking naked for too long, and I wish I could be that naive kid in the crowd. I do not believe in marketing "attribution". Beyond the combined power of algorithms, data, software and professional ...
