4. Happiness requires no effort at all. It is more of a letting go of unhappiness than it is a striving for happiness. Habits and Addictions 1. When you don't understand the dynamics of your own mind, you attempt to get your positive feeling back through outside sources, which can be the beginning of bad habits. 2.

What is Matter? Matter is anything that has mass. All objects are made of matter. Air, water, a brick, even you are made of matter! Matter is made up of smaller pieces. Over eighty years ago, scientists thought that the atom was the smallest piece of matter. At that time, the atom was thought to be "the building block of matter."
