the influential pamphlet "Nothing Gained by Overcrowding" that limiting the number of dwellings per land area would be the simplest and best way to avoid overcrowding of both buildings and people, a measure which became widespread. The same measure was used by Jane Jacobs when describing the minimum density required for a vital neighbourhood.

"Nothing Ventured, Nothing Gained". We all face risk in our everyday lives and regularly make judgements, sometimes unconsciously, about risks and benefits for everyday actions. It is a challenge to tread the line between being overprotective (in an attempt to eliminate risk altogether) while respecting individual freedoms.

The Martineau family is an intellectual, business and political dynasty associated first with Norwich and later also London and Birmingham, England. The family were prominent Unitarians, to the extent that a room in London's Essex Hall, the headquarters building of the British Unitarians, was named after them.
