Feature Highlights. We created doPDF with the purpose of giving users a way to create PDF files fast and easy. This is why doPDF is the most lightweight free PDF creator in the world - no exaggerations, the web installer is a mere 1.5MB, does not require 3rd party software (such as Ghostscript as most of the other free PDF creators require) and barely uses any resources during conversion.

A straw man is a common form of argument and is an informal fallacy based on giving the impression of refuting an opponent's argument, while actually refuting an argument that was not presented by that opponent. One who engages in this fallacy is said to be "attacking a straw man." The typical straw man argument creates the illusion of having completely refuted or defeated an opponent's ...
