Over Our Heads is a story about kindness, compassion â€œ and the lack of it, on both a societal and individual level. Itâ€™s about growing up wounded, and the generational legacy of suffering such wounds can create.

Inanna Publications :: Over Our Heads

In Over Our Heads provides us entirely fresh perspectives on a number of cultural controversies--the "abstinence vs. safe sex" debate, the diversity movement, communication across genders, the meaning of postmodernism. What emerges in these pages is a theory of evolving ways of knowing that allows us to view adult development much as we view child development, as an open-ended process born of the dynamic interaction of cultural demands and emerging mental capabilities.
