PUBLIC ADMINISTRATION AND DEMOCRATIC GOVERNANCE

New Public Administration is an anti-positivist, anti-technical, and anti-hierarchical reaction against traditional public administration. A practiced theory in response to the ever changing needs of the public and how institutions and administrations go about solving them.

New Public Administration - Wikipedia

Public administrators need to understand how business and management principles apply in a service-oriented organization. Associate programs in public administration introduce students to the basics of office management and client service and prepare graduates to become social and human services assistants. A bachelor's degree is the usual entry-level requirement for public agency and ...
