Have you ever read something and not remembered a word of it? Often when kids complete a reading assignment, they remember very little of what they read. This is especially true when reading nonfiction material such as a social studies article or textbook. If the material is confusing or uninteresting to them, it can be hard to retain it.

A reading comprehension strategy to help kids remember

The average child in the United States spends roughly 4 hours and 29 minutes a day watching TV, 2 hours and 31 minutes listening to music, and 1 hour and 13 minutes playing video games. And how much of their leisure time do they spend reading nonfiction? Less than 4 minutes a day. That's the ...
